Invitation to the family reunion (22nd) 23rd – 25th of May 2008 in South Tyrol

Motto: come to know each other in the course of friendly conversation

Dear relatives !

After a longer period for preparation and investigations we present you the programme of the next reunion. We decided to show you a region in South-Tyrol less known to most of you, in fact the upper Vinschgau. This part of South-Tyrol is a bit more inclement but scencic and historic of high interest. The most of very old villages have been modernized and are consequently interesting spots.

As our basis, we selected the village “Schluderns” near Mals, where we found a new wellness hotel named “Guffler”, after the name of the owner. This hotel in which we shall stay is located at the upper village directly at the mouth of the Matschertal (Matscher-valley) next to the forest and the Saldurbach (Saldur-creek). Tranquility is ensured with fresh and clear mountain-air.

Beneath the hotel photo please find its address and beside you can find a sketch how to come to the hotel.

Dear reunion participants!

Some words to the necessary payment.

In order to guarantee a smooth and time-saving organization of the reunion, based on the pattern of former reunions, I decided, that I will take the payment on your behalf.

The estimate of fixed costs:

€ (Euro) 225.- per person in a two bedroom
single bedrooms are available for extra € (Euro) 24.—
only a few single bed rooms are available

the estimated costs include:

- two nights at the hotel including
- three quarters board (breakfast, if required at noon -coffee and dinner)
- lunch and all drinks during lunch and dinner on two days

Such calculation shall save a lot of our time and toil.

Since I do not know yet how many children are coming (for reduced prices) or whether additional beds are required in some rooms, how many of you stay only one night or even more than 2 nights, please consider the above mentioned price is just an estimate.

Would you please send your binding confirmation , up until the **end of October 2007** (form as below) and transfer your estimated payment to the following account as your down-payment:

€ (Euro) 100.-- (for children € (Euro) 80.—

To the account of::

Sparkasse Meran,

owner of the account: Wilfried Erckert

BIC: CRBZIT2B020

IBAN: IT 17 H 06045 58590 040005010462

The final clearance you can settle with me direct in cash at the reunion.

I'll take over the payments at the hotel and restaurants using the down-payments.

Cancellations and retransfers of down-payments must be announced to me not later than April 15th 2008. Any further late announcement might not be successful since the hotel requires the full room-rate.

Expenses for excursions, entrance fees, guided tours and others are not included and have to be paid on your own, but expenses are insignificant and shall be announced in advance. Guidance by local family members are free of charge.

I greet you and wish you nice and amusing days

Wilfried
